

**ORIGINAL PURCHASER'S LIFETIME  
WINCOS AUTO FILM WARRANTY**

**Window Film Care and Maintenance** – As with all valuable products, LINTEC film requires some minimal maintenance to assure your continued enjoyment of this product. **Do not clean the film for thirty (30) days after installation.** Do not use brushes, abrasive sponges or solutions that contain abrasive materials. Always use a soft clean cloth to wash and dry your windows. Common household window cleaning solutions may be safely used to clean your windows.

The adhesive must properly bond to the glass for long life. **DO NOT ROLL DOWN FILMED WINDOWS UNTIL THE FILM HAS PROPERLY ADHERED TO THE GLASS (WAIT THREE TO FIVE DAYS).**

LINTEC warrants its Wincos Automotive Window Films when installed on the interior glass surfaces of your automotive vehicle, truck, van or motor home by a participating LINTEC Dealer/Installer for as long as you own your automobile.

LINTEC warrants the film covered by this certificate for AS LONG AS YOU OWN YOUR VEHICLE against fading, cracking, crazing, delaminating, or adhesive failure due to discernible defects in manufacturing. If the film is found to be defective, LINTEC will

have the film replaced at no cost to you for film and labor. This warranty is not transferable. LINTEC assumes no liability for deterioration of the film caused by normal wear and tear, accident, negligence or abuse. LINTEC assumes no liability for glass breakage regardless of cause.

LINTEC is not responsible for, and does not cover under this warranty, any claim that use of the window film installed was at the time, or later became, unlawful.
